I wish to inform you that CCC has been sold effective May 17th, 2023 - 4pm. New hands will handle the reins of cash flow and management responsibilities. Your timely support has always made our task in property management easy.

We have a 33 year history in supporting the Nelson Rental market. You have been part of this success.

Here is to a coffee in hand, sitting by the creek with the sound of roiling waters. cooling breezes and the smell of the woodlot; without anxiety!

*With deep appreciation for your
